

January 2018

Account number: [REDACTED]  
For service at: [REDACTED]  
Current service plan: Standard Rate

Dear [REDACTED],

**Your current plan will soon be discontinued**

If you have not already changed to a new service plan, we will transition you to the plan most similar to your current one and no action is required on your part.

Your new plan will be: **Lite Choice**

You are scheduled to be moved between: **2/8/2018 and 2/12/2018.**

*Some meters may require an exchange to another non-standard meter. Please ensure our technician can access the meter without obstructions such as locked gates, doors or breaker boxes and loose dogs.*

**There's still time to pick a service plan**

Whether you're looking for the ultimate in convenience or want to maximize energy savings, you can find a plan to meet your needs. To learn more, please review the enclosed insert or visit [aps.com/plans](http://aps.com/plans). We are also available to discuss your options at **(844) 605-4341**.

If you are registered on [aps.com](http://aps.com), you will receive an email notification when your new plan becomes effective. Thank you and we look forward to serving you with one of our new plans.

Sincerely,

Stacy L. Derstine  
Vice President, Customer Service &  
Chief Customer Officer

*Your account has (or previously had) a non-standard meter and we are unable to view your hourly usage to do an in-depth plan comparison. So we are providing you with information on the plan most similar to your current one.*
